THE South-Carolina Gazette.

From MONDAY July 3d, to MONDAY July 10th, 1749.

From the GENTLEMAN'S MAGAZINE *for* March, 1749.

It is with great pleasure that we voluntarily insert the following Advertisment, printed in every London Gazette *from its date, and paid for in most of the* London *news-papers. This pleasure, and this willingness, arise from the relation that the design of the advertisment has to a favourite scheme, which we published in our Magazine for* July *last, p.* 293-4, *inserted in the succeeding Mag. p.* 343 *(also on other occasions) and revived in our Supplement by a Copper Plate, emblematically representing the discharged seamen and soldiers with* Britannia *at their head, petitioning the Power of* Wisdom *for employment in the fishery, &c. That it is now brought so near to maturity, by those in power, ought to be acknowledged with gratitude, by all who are likely to receive any advantage thereby, which 'tis hoped will be many millions, and to latest posterity; and that this is only an earnest of the improvements of the arts of peace, which the public may expect from the recommendation in his majesty's speech.*

Whitehall, March 7, 1749

A Proposal having been presented unto his majesty, for the establishing a civil government in the province of *Nova Scotia* in *North America*, as also for the better peopling and settling the said province, and extending and improveing the fishery thereof, by granting lands within the same, and giving other encouragement to such of the officers and private men, lately dismissed his majesty's land and sea service, as shall be willing to settle in the said province: And his majesty having signified his royal approbation of the purport of the said proposals, the right honourable the lords commissioners for trade and plantations do, by his majesty's command, give notice, that proper encouragement will be given to such of the officers and private men lately dismissed his majesty's land and sea service, as are willing to accept of grants of land, and to settle with or without families in the province of *Nova Scotia*.

That 50 acres of land will be granted in fee simple to every private soldier, or seaman, free from the payment of any quit-rents or taxes, for the term of ten years; at the expiration whereof, no person to pay more than 1 *s. per Ann.* for every 50 acres so granted.

That a grant of 10 acres, over and above the said 50 acres, will be made to each private soldier or seaman having a family, for every person, including women and children, of which his family shall consist; and further grants made to them, on the like conditions, as their families shall encrease, or in proportion to their abilities to cultivate the same.

That 80 acres, on like conditions, will be granted to every officer under the rank of ensign in the land service, and that of lieutenant in the sea service; and to such as have families, 15 acres, over and above the said 80 acres, for every person of which their family shall consist.

That 200 acres, on like conditions, will be granted to every ensign, 300 to every lieutenant, 400 to every captain, and 600 to every officer above the rank of captain in the land service, as also the like quantity of 400 acres, and on the like conditions, to every lieutenant in the sea service, and 600 acres to every captain; and to such of the abovementioned officers as have families, a further grant of 30 acres will be made, over and above their respective quotas, for every person of which their families shall consist.

That the lands will be parcelled out to the settlers as soon as possible after their arrival, and a civil goverment established, whereby they will enjoy all the liberties, privileges, and immunities, enjoy'd by his majesty's subjects in any other of the colonies and plantations in *America*, under his majesty's government; and proper measures will also be taken for their security and protection.

That all such as are willing to accept of the above proposals, shall, with their families, be subsisted during their passage, as also for the space of twelve months after their arrival.

That they shall be furnished with arms and ammunition as far as will be judged necessary for their defence, with a proper quantity of materials and utensils for husbandry, clearing and cultivating their lands, erecting habitations, carrying on the fishery, and such other purposes as shall be necessary for their support.

That all such persons as are desirous of engaging in the above settlement, do transmit by letter, or personally give in their names, signifying in what regiment or company, or on board what ship they last served, and if they have families, what number of persons belonging to such families they intend to carry with them, distinguishing the age and quality of each person, to any of the following officers, appointed to receive and enter the same in books open for that purpose, *viz.*

John Pownall, Esq; solicitor and clerk of the reports to the Lords Commissioners for Trade and Plantations, at their office at *Whitehall*.

John Russel, Esq; commissioner of his majesty's navy at *Portsmouth*.

Philip Vanbrugh, Esq; commissioner of his majesty's navy at *Plymouth*.

And that proper notice will be given of the said books being closed so soon as the intended number shall be completed, or at latest on the 7th of *April*.

It is proposed that the transports shall be ready to receive such persons on board on the 10th of *April*, and be ready to sail on the 20th; and that timely notice will be given of the place or places to which such persons are to repair in order to embark.

That for the benefit of the settlement, the same conditions which are proposed to private soldiers or seamen, shall likewise be granted to carpenters, shipwrights, smiths, masons, joiners, brickmakers, bricklayers, and all other artificers, necessary in building or husbandry, not being private soldiers or seamen.

That the same conditions as are proposed to those who have served in the capacity of ensign, shall extend to all surgeons, whether they have been in his majesty's service or not, upon their producing proper certificates of their being duly qualified.

By order of the Right Honourable the Lords Commissioners for Trade and Plantations. THOMAS HILL, *Secretary*.

AS I am determined ſoon to depart this province, I will ſell very cheap, a choice parcel of *Irish* linnens, cambricks, coloured & white callicoes & chints, mens and womens gold and ſilver watches, with ſundry other goods I have on hand, at my ſtore in Mr. *Huger*'s buildings in *Church-ſtreet.* = *Anne Waller.*

New-Providence, *June* 22d, 1749.

THE partnerſhip between *M'Intoſh* and *Blyth* having expired above two years ago, the ſubſcriber deſires all perſons indebted to that company in *South-Carolina*, to pay off their reſpective accompts to Mr. *George Inglis* merchant in *Charles-Town*: And thoſe who have any demands on them, are deſired to tranſmit their accompts to *Providence*, that proper meaſures may be taken to diſcharge the ſame. = *Robert Blyth.*

To be RAFFLED for, on the 28th inſtant (if the ſubſcription be full) a lot in *Union-ſtreet*, belonging to the eſtate of *Adam Beauchamp* deceaſed, with a houſe thereon two ſtory high, three rooms on a floor, and two garret-rooms, a good kitchen and ſtore, a ſhed that will hold 300 barrels of rice, a yard and garden. The whole (valued at 2,600 *l.*) will be divided into 130 chances, at 20 *l.* each. Subſcriptions taken in by Meſſrs. *Glen* and *Cooper*, and by = *Iſaac Beauchamp.*

TO BE SOLD on reaſonable Terms, and for one, two, or more years credit, paying intereſt at *ſix per cent* only, a plantation containing 2223 acres of land, ſituate near the head of *Aſhepoo* river, and bounding for two miles on the ſaid river and a navigable creek out of the ſame, ſo that one ſtreight line of fence will ſecure the whole, it being form'd nearly in the ſhape of a U. The ſaid plantation conſiſts of ſeveral hundred acres of very good rice land, both inland and river ſwamp overflowed every ſpring-tide, old indian fields, and very good oak and hickery lands for corn and indico; and for ſawing there is about 100 acres of cypreſs ſwamp never yet cleared or pillaged of the timber, bounding on the river; and ſome hundred acres of well timbered pine land (it being covered with *yellow* and *pitch pine* trees) ſome of the beſt in the province, with great quantities of lightwood, it not having been worked on for upwards of 30 years paſs'd. There is on the ſaid plantation a very good dwelling-houſe, kitchen, pantry, and other out houſes, and a young orchard of fruit trees; a convenient, well-built, and large new barn, with brick chimney, two ſets of brick, and one ſet of wood, indico vats, all in good order; about 60 acres of the river ſwamp, and 40 acres of the upland ſwamp, hath been cleared and planted *only* for the preſent year, and therefore it will be in great readineſs and order for next year. The indian old fields afford as good paſture, and produces as good indico plant as any lands whatever do. The whole is to be ſold, *either entire*, in which caſe a conſiderable abatement will be made in the price, or *parcelled out* into four 555-acre tracts, for the convenience of ſmall purchaſers —— The only reaſon for parting with ſo valuable a plantation, is its being at ſuch a diſtance from *Charles-Town* (near 50 miles) as prevents the preſent owner ſeeing it ſo often as it is neceſſary an owner ſhould do; but for a perſon whoſe inclination or buſineſs will permit him to live on the ſpot, or to viſit it often, it may with great truth be averred, that there is not a plantation in the province, at the ſame diſtance from *Charles Town*, from which more profit may be made, in the ſeveral branches of *Carolina huſbandry*, than from this. The purchaſer may enter on the premiſes as ſoon as the preſent crop is got in, and, in the mean time, may make ſuch other preparations for planting next year as is neceſſary: For further particulars enquire of *Charles Pinckney.*

N.B. The purchaſer may alſo have a ſtock of cattle, which have gone thro' the diſtemper, ſheep and hogs, on the ſpot. =

TO BE SOLD at the Vendue-houſe in *Charles-Town*, for ready money, on tueſday the 15th of *Auguſt* next, the following plantations and tracts of land, &c. taken in execution by the ſubſcriber, *viz.*
